

CLAIMS

5

I claim:

1. A method of providing an opportunity for a person to purchase cellular telephone service, comprising:
 - 10 providing information about cellular telephone service to a person, wherein said person is a prospective purchaser of cellular telephone service;
 - 15 receiving information from said person pertaining to the purchase of said cellular telephone service;
 - 20 transmitting said purchase information to a provider of cellular telephone service; providing said person with information from said provider of cellular telephone service;
 - 25 receiving authorization to activate cellular telephone service for said person; and transmitting said authorization to said provider of cellular telephone service.
2. The method of claim 1, further comprising, wherein said transmitting of said purchase information is to said cellular telephone service provider's billing system.
3. The method of claim 1, wherein said transmitting of said authorization to said cellular telephone service provider is to said cellular telephone service provider's billing system.
4. The method of claim 1, wherein said purchase information includes information necessary to perform a credit check.

5. The method of claim 1, wherein said information from said provider of cellular telephone service includes a credit approval.
